Information Package & Membership application

The Victoria Police Alpine Club is a self funded club dedicated to the promotion of all Alpine Sports and activities.

The club is situated halfway between Mansfield and Mt Buller, Victoria and offers its own facilities comprising of an eight bedroom lodge on 14 acres only 30 minutes from the ski fields. The lodge sleeps up to 34 in either single or double bunks. It boasts a huge double kitchen, games & TV room, three bathrooms, laundry facilities, drying room, covered parking and covered outdoor BBQ and entertaining area.

Open all year round, the club offers direct access to the high country. Activities available include Snow Sports such as Skiing & Snowboarding, Bush Walking, Camping, Horse riding, 4 Wheel driving, Trail riding, Water Sports, Boating, and Fishing. The club is also available for conferences on application and depending on season.

Situated in Buttercup Road Merrijig, the lodge sits abreast the undulating splendour overlooking the valley and the magnificent Mt Timbertop, Mt Stirling and Mt Buller, offering some of the most spectacular views of the ranges all year round. A short drive from the lodge (40 minutes) will find you on top of Mt Buller.

The lodge is perfectly situated to take advantage of the numerous off season activities enjoyed in the "High Country".

There is a dining area, a lounge area with wood fireplace, a separate games room with its own wood fire, a pool table, large screen TV with DVD and surround sound. The TV also is compatible with PCs for presentations etc and is ideal for conferences with local catering available if required.

HISTORY

In the early 1970's when the club was called the Victoria Police Ski Club the lodge consisted of a Forestry Commission Hut at Mirrimbah. Fortunately for us all today the Forestry Commission decided to demolish the Hut. Thus the inspiration for the current lodge was born. A group of dedicated Foundation members bought the current property and built the lodge. The early 90's saw the lodge extended with the inclusion of additional bedrooms and again in 2006 a further extension to each end of the lodge saw the completion of the games and TV room and a huge undercover entertaining area.

A volunteer Committee of Management runs the VPAC. This group of 12 people does all the work necessary to keep the facility running in an efficient manner. It is not necessary to be a Police member, or a skier to join the club and enjoy the lodge facilities and club activities.

Some of our organised club activities include the following:

BUSH WALKING WEEKEND

A weekend of muscle exhausting walking held in local ranges, sight seeing and views unlimited — held in the warmer weather.

4WD WEEKENDS

Originally we allocated one weekend each year for a club four wheel drive outing. Due to popularity we now run several a year with one dedicated weekend for the diehard off road enthusiasts and some more sedate weekends for those that are not quite as adventurous. These weekends start off at the club with participants heading off into the surrounding terrain. We usually return to the lodge for Saturday night but on occasions these trips have turned into overnight bush camps. Usually Sundays are spent travelling home to Melbourne via the hills at Jamieson and ending up back at Warburton via big River. Other private 4X4 trips are run throughout the non skiing season.

LODGE LOCATION

Lot 7 Buttercup Road, Merrijig. Take the Mt Buller Road out of Mansfield, travel 12.7km from the 100km 1 hour sign on the outskirts of Mansfield and turn left into Buttercup Road. Travel 2.7km down Buttercup road to the gate of the property. There are blue reflectors of the post and VPAC sign on gate. Pass over the cattle grid and up the driveway.
